G	816	Garnet		143	1

STITCHING NOTES

- Use 2 strands over 1 block of Aida (or over 2 threads of evenweave).
- Start at the center — follow the red arrows — and work outward.
- Blank chart squares are left unstitched; the fabric is the background.
- All stitches are full cross stitch. No backstitch, no fractionals.
- About 16–21 hours for an average stitcher.
